

Estimated Unmet Need for Family PACT Services for Kings County 99/00

Unmet Need within County by Zip Code

- High Number and High Percent of Women with Unmet Need
- Low Number of Women and Low Percent of Unmet Need
- Insufficient Data

Number of Providers

These estimates are intended to be used as a rough guide to identify areas of potential need for services. References to "providers" are to entities with one Medi-Cal provider number - i.e., billing units, not clinic sites. Estimates are not precise, especially when pertaining to regions of small population. Neither OFP nor UCSF accept responsibility for accuracy of these estimates.
